Our Principal

Ms. Shonda Davis

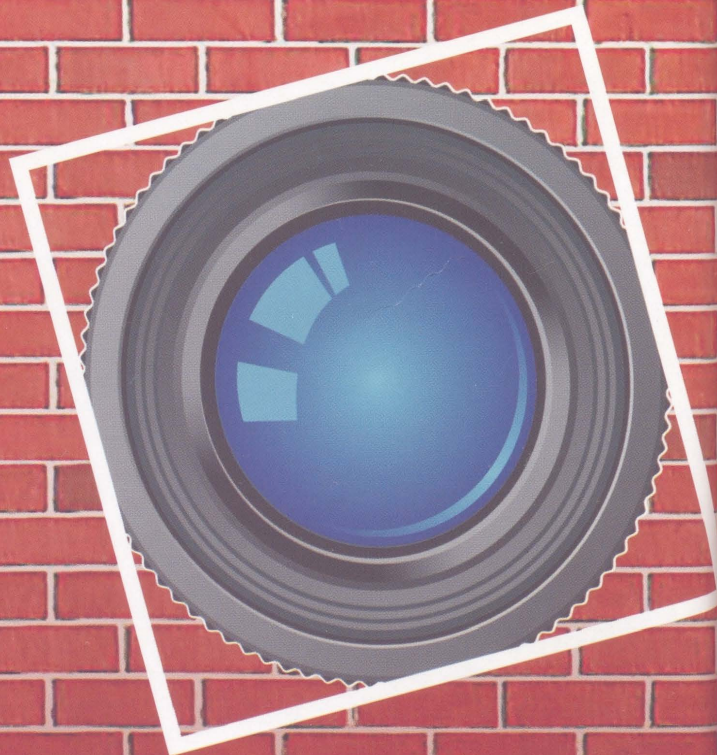

As the Principal of Barringer High School, I write this message to you with love, hope, and joy in my heart. I have watched all of you grow into young men and women, and I am proud to have served as out Principal. As such, I feel compelled to import upon you words of inspiration and encouragement as you make the transition from being high school students to being adult members of the greater community. During this time, my heart filled with both joy and sorrow. I love all of you dearly, so it saddens me to know that our time together is over. However, I find peace and solace in knowing that you have accomplished all that you can at Barringer and are moving on to embrace bigger and better opportunities.

As you travel down your life's path, be fearless, embrace change, and take chances. Celebrates your accomplishments, and persevere through trying times. Life is a journey full of many trials and tribulation; yet, within each of these experiences resides the opportunity to grow, to learn and to get that much closer to fulfilling your life's purpose. Be not weary during these moments of difficulty; yet remain steadfast and strong, for we are not defined by the moments we endure. Instead, we are defined by ways in which we respond to these moments. You must also keep in mind that you may not always be able to control what occurs, but you will always be able to control the ways ion which you respond. However, the choice is yours and it its my sincerest hope that you choose to respond to life in ways that best represent who you are with the utmost regard high morals and noble intent.

As stated by Dr.Martin L.King Jr., 'The ultimate measure of man is not where he stands in moments of comfort and convenience but where he stands in times of challenge and controversy.'" So in the spirit of the great Dr.King, I encourage you to all to live lives of servitude. Be stewards of righteousness, justice, love and peace. Stand firmly upon your convictions, and be not afraid to redefine the status quo, challenge the norms, and think outside of the box. You are the future, and the future is yours to hold.

In closing, I say farewell and assure you that I will be there in spirit.. cheering you on as you navigate your way through life. Be humble, yet confident ! Be brave, but cautious. Create your own destiny and determine your own fate. Make every day great day. Have a great life, and always remember that the choice is DEFINITELY yours !

Love Always
